

Pugs of the UK - with reference to Devon's subspecies (by Phil Dean, 3rd May 2015)

Species Number	Bradley Number	Scientific Name	Common Name	Primary Larval Foodplants	Forewing (mm)	# Records Devon 2014	January	February	March	April	May	June	July	August	September	October	November	December
70.146	1813	<i>Eupithecia haworthiata</i>	Haworth's Pug	Traveller's-joy	8-9	13												
70.147	1811	<i>E. tenuolata</i>	Slender Pug	Goat/Grey/Eared Willow	8-10	7												
70.148	1812	<i>E. inturbata</i>	Maple Pug	Field Maple	8-10	2												
70.149	1815	<i>E. abietaria</i>	Cloaked Pug	Norway (and other) Spruce	11-15	P												
70.150	1816	<i>E. linariata</i>	Toadflax Pug	Common Toadflax	9-10	25												
70.151	1817	<i>E. pulchellata</i>	Foxglove Pug	Foxglove	10-12	156												
70.152	1855a	<i>E. ultimaria</i>	Channel Islands Pug	Tamarisk	7-10	P												
70.153	1814	<i>E. plumbeolata</i>	Lead-coloured Pug	Common Cow-wheat	9-10	P												
70.154	1822	<i>E. pygmaeata</i>	Marsh Pug	Field Mouse-ear	8-9	0												
70.155	1823	<i>E. venosata</i>	Netted Pug	Bladder/Sea Campion	10-14	2												
70.156	1852	<i>E. abbreviata</i>	Brindled Pug	Pendunculate/Sessile Oak, hawthorns	10-12	106												
70.157	1853	<i>E. dodoneata</i>	Oak-tree Pug	Berry calyces, hawthorns	8-11	44												
70.158	1854	<i>E. pusillata</i>	Juniper Pug	Common/cultivated Juniper	9-11	0												
70.159	1855	<i>E. phoeniceata</i>	Cypress Pug	Monterey Cypress	10-11	30												
70.160	1835	<i>E. tripunctaria</i>	White-spotted Pug	Elder, Wild Angelica	10-12	30												
70.161	1851	<i>E. virgaureata</i>	Golden-rod Pug	Polyphagous inc. Ragworts, Goldenrod	10-11	P												
70.162	1857	<i>E. tantillaria</i>	Dwarf Pug	Inc. Norway/Sitka Spruce, Douglas Fir	9-11	3												
70.163	1856	<i>E. lariciata</i>	Larch Pug	European Larch	10-12	1												
70.164	1824	<i>E. egenaria</i>	Fletcher's (Pauper) Pug	Limes	11-13	0												
70.165	1845	<i>E. pimpinellata</i>	Pimpinell Pug	Burnet-saxifrage	11-12	0												
70.166	1842	<i>E. simpliciatata</i>	Plain Pug	Goosefoots, oraches	11-13	4												
70.167	1842a	<i>E. sinusaria</i>	Goosefoot Pug	Goosefoots, oraches	10-12	0												
70.168	1846	<i>E. nanata</i>	Narrow-winged Pug	Heather	9-12	21												
70.169	1848-50	<i>E. innotata</i>	Angle-barred Pug	Ash, Sea-buckthorn, hawthorns etc	10-12	2												
70.170	1818	<i>E. irriquata</i>	Marbled Pug	oak	9-11	1												
70.171	1844	<i>E. indigata</i>	Ochreous Pug	Scots Pine	8-10	P												
70.172	1843	<i>E. distinctaria</i>	Thyme Pug	Wild Thyme	8-10	P												
70.173	1825	<i>E. centaureata</i>	Lime-speck Pug	Inc. ragworts, Sea Wormwood	10-12	68												
70.174	1820	<i>E. insigniata</i>	Pinion-spotted Pug	Hawthorn	10-12	0												
70.175	1826	<i>E. trisignaria</i>	Triple-spotted Pug	Wild Angelica, Hogweed	10-11	1												
70.176	1827	<i>E. intricata</i>	Freyer's Pug	Common Juniper, Cupressus	12-13	16												
70.177	1828	<i>E. satyrata</i>	Satyr Pug	Inc. Meadowsweet, ragworts	9-13	0												
70.178	1847	<i>E. extensaria</i>	Scarce Pug	Sea Wormwood	11-13	0												
70.179	1830	<i>E. absinthiata</i>	Wormwood/Ling Pug	Inc. Mugwort, Yarrow, ragworts, Heather	11-13	35												
70.180	1833	<i>E. expallidata</i>	Bleached Pug	Goldenrod	12-13	6												
70.181	1821	<i>E. valerianata</i>	Valerian Pug	Common Valerian	8-10	1												
70.182	1832	<i>E. assimilata</i>	Currant Pug	Wild Hop, Red/Black Currant	9-12	38												
70.183	1834	<i>E. vulgata</i>	Common Pug	Many trees, hawthorns, willows etc	10-12	155												
70.184	1819	<i>E. exiguata</i>	Mottled Pug	Hawthorns, Blackthorn, Dogwood	11-12	39												
70.185	1836	<i>E. denotata</i>	Jasione Pug	Sheep's-bit	11-13	P												
70.186	1841	<i>E. millefoliata</i>	Yarrow Pug	Yarrow	12-13	0												
70.187	1838	<i>E. icterata</i>	Tawny Speckled Pug	Sneezewort, yarrow	11-13	7												
70.188	1839	<i>E. succenturiata</i>	Bordered Pug	Mugwort, Wormwood, Southernwood	12-13	2												
70.189	1840	<i>E. subumbrata</i>	Shaded Pug	Many herbs - hawk's beards, ragworts	10-12	1												
70.190	1837	<i>E. subfuscata</i>	Grey Pug	Many herbaceous & woody plants	10-12	47												
70.1561	1852a	<i>E. massiliata</i>	Epping Pug	Oaks	8-10	0												
70.142	1858	<i>Chlorocystis v-ata</i>	V-Pug	Many inc. Dog-rose, Hawthorn, etc	8-11	136												
70.143	1859	<i>Paspipha chloerata</i>	Sloe Pug	Blackthorn	9-10	1												
70.144	1860	<i>P. rectangularata</i>	Green Pug	Crab Apple, cult. apple, pear etc	8-11	96												
70.145	1861	<i>P. debiliata</i>	Bilberry Pug	Bilberry	9-11	3												
70.141	1862	<i>Gymnoscelis ruffasciata</i>	Double-striped Pug	Many inc. Holly, Ivy, Gorse, Broom etc	8-10	256												
70.129	1863	<i>Anticollix sparsata</i>	Dentated Pug	Yellow Loosestrife	11-13	0												

- Notes:
- Species number and Bradley number are from "Checklist of the Lepidoptera of the British Isles" by Agassiz, Beavan & Heckford.
 - Subspecies have been excluded and can be referenced in, eg. "Field Guide to the Moths of Great Britain & Ireland" by Waring & Townsend.
 - indicates main flight period from "Field Guide to the Moths of Great Britain & Ireland" by Waring & Townsend.
 - indicates a partial second generation or occasional flight period.
 - Flight periods are for the southern United Kingdom except *E. extensaria* (East England).
 - small; ■ medium-size; ■ large.
 - Larval foodplants are from "Field Guide to the Moths of Great Britain & Ireland" by Waring & Townsend and from Barry Henwood.
 - A "P" in the "# Records Devon 2014" column indicates has been recorded in Devon but not in 2014.
