

Devon Macromoth Flight Seasons - grouped by month

These tables have been created as follows:

1. The data are based on records from the the Devon moth database from 2000 to 2016 .
2. Species where there are fewer than 10 total records over this period are omitted.
3. Months where there are fewer than 2 records are omitted.
4. Within each month species are sorted by record count and then by ABH number.
5. This table was created on 02/10/2017 by Phil Dean.
