

Devon Macromoth Flight Seasons (2000 to 2020)

- grouped by month

These tables have been created as follows:

1. The records are extracted from the the Devon moth database from 2000 to 2020 .
2. Columns are as follows:
 - Scientific name for the species.
 - Vernacular name for the species.
 - ABH number for the species as defined in the Checklist of the Lepidoptera of the British Isles (and subsequent updates) by Agassiz, Beavan and Heckford
3. Species with are fewer than 5 total records over this period are omitted.
4. Months with fewer than 2 records are omitted.
5. Within each month species are sorted by first record count and then by ABH number.
6. This table was created on 19/02/2021 by Phil Dean.
